SIDELINKER KENNELS CASE MAY BE SETTLED OUT OF COURT

The long-standing case of the Sidelinker Dog Kennels, at Silver Lake may be settled out of court.

Scheduled to appear before Judge Pardini, of the Superior Court, Tuesday morning, the attorneys representing Wilmington and Sidelinker arrived at a tentative agreement, and informed the court that there was a good possibility of not having to be heard by the court.

Atty Jack Moss of Furlington, representing Sidelinker, and Atty Charles Higginson of the firm of Hemingway & Barnes, representing Wilmington have

made a tentative agreement, which will have to be confirmed before next Tuesday.

The agreement, as it now stands, stipulates that no more than three dogs over 3 months old can be kept on the Sidelinker property, and not more than 8 puppies, from two litters in one year. The puppies will have to be sold or otherwise disposed of before they reach the age of three months.

The injunction will continue in effect, the tentative agreement states, so that a violation will result in a fine of \$20 a day.

MACARTHUR AIDE TO BE SPEAKER AT PROTESTANT COMMUNION BREAKFAST

Col. Laurence Eliot Funker, USAF, who was the Personal aide de camp to General Douglas MacArthur for nine years, is to be the speaker at the Second Annual Protestant Men's Communion Breakfast, on May 17th, in the High School.

Colonel Funker was awarded the Distinguished Service Medal, and the Legion of Merit with Oak-Leaf Cluster, by the US Government, and the Netherlands Order of Orange-Nassau for his services with MacArthur.

A Magna Cum Laude graduate of Harvard, he was a legal associate of the late John W. Davis-New York lawyer, and Democratic Presidential candidate.

Colonel Funker will be introduced by Robert Gunderson, of Hathaway Road, Chairman of the Communion Breakfast Committee.

WOBURN CLERK OF COURT APPOINTED MASTER IN RUGGERIO GRAVEL CASE

Charles A. Loring, Clerk of the Court of Woburn has been appointed Master, to decide on the injunction issued against the operations of the Ruggerio gravel pit.

Mr. Loring viewed the gravel pit, and the adjoining pits of Pradley and Curl, Wednesday morning, in company with attorneys and the Town Engineer and Town Building Inspector.

PLANNING BOARD ANNOUNCES SUMMER SCHEDULE

The Wilmington Planning Board will meet bi-monthly, during the months of June, July and August, it was announced Tuesday evening.

Meetings, in the Town Hall, will be on the 9th and 23rd of June, the 7th and 21st of July and the 4th and 18th of August.

GAS MAIN CONSTRUCTION TO START WITHIN WEEK

The Lowell Gas Company has announced that construction will start, within a week, of a gas main down Main Street as far as the new De Moulas store between Bridge Lane and Shawshen Avenue.

President Harry J. Patterson of the Lowell Gas Company told the Selectmen of Wilmington, Monday evening that the company would also lay mains down in any street where service would be wanted, if there were sufficient demand.

Patterson was accompanied by George Doulames, Superintendent of Operations, Leo J. Kennedy, Chief Engineer, and Atty Joseph Donahue.

The gas main will be an extension of the present main on South Hill Street, in Tewksbury, and will be extended down South Street, Tewksbury and Route 38.

The South Hill Street main is an extension of a main which starts in Billerica, near the Tennessee Gas Main.

Mr. Patterson told the Selectmen that the company probably would extend the main to Wilmington Square, and possibly further down to where the First National Stores are preparing to build a new supermarket.

WILMINGTON'S TRACK TEAM VICTORS OVER WESTFORD ACADEMY

Wilmington High School's track team emerged as victors, Tuesday afternoon, in a meet with Westford Academy, on the Wilmington track, behind the High School. It was the first win of the season, Wilmington having previously been defeated by North Andover and Bedford.

Wilmington's team totalled 42 points, to 35 of Westford. The scoring was very close.

Winston Fairfield took first place in the Shotput, with a distance of 38 feet 6 1/2 inches. Second place went to Munroe, of Wilmington, and third to Hill, of Westford.

Frian Phillips of Wilmington was first in the broadjump, with a distance of 18 feet, 1/2 inch. He was followed by Thibodeau of Westford and Munroe.

Phillips and Thibodeau tied for the high jump, with a five foot jump each. Washburn, of

Wilmington took third place. The 100 yard dash, run in 11 seconds, was won by Mulligan of Westford, with his teammate Davies taking third place, and Wilmington's Kemp second.

The mile race was Westford's, all the way. Valley came in first in 5 minutes and 12 seconds, followed by Lehan and Aboud.

The 440 yard distance was won by Washburn of Wilmington in 60.3 seconds, with his teammate Doucette second, and Henderson of Westford third.

The 220 yard went to Mulligan of Westford, in 25.4 seconds. Second was Rieand of Westford, and third Kemp of Wilmington.

The 880 yard distance was won by Wilmington's Knight, in two minutes 17 seconds, with Jordan of Westford second, and McMahon of Wilmington third.

Wilmington finished the match by winning the Relay race, with a team consisting of Knight, Munroe, Alley, and Washburn.

TELEGRAM URGES GOVERNORS SIGNATURE ON GRAVEL BILL

48 signatures were on a telegram, sent Tuesday evening to Governor Furcolo, urging his signature to House Bill 2745, as the finale of a 'Gravel Meeting' and forum, held by the Baldwin Civic Association, Inc. Tuesday.

The open meeting heard Senator William C. Madden and Rep Thomas Donahue and Frank Tanner describe the process by which the bill had been enacted by the State Legislature.

The three solons left no doubt in the listeners minds that they had worked together for the good of the town, and each of them were more than willing to speak of the part played by the others, and to give credit where credit was due.

Senator Madden, the first speaker, very briefly explained the passage of the two bills - House 1141 (reported in last week's Town Crier) and House 2745, now awaiting the

Governor's signature. He paid credit to Rep. Tanner for his work in the House, on the second bill.

Senator Madden thought that both Town Manager Calabrese and Town Counsel Puzzell should present the legal arguments to the office of the Attorney General.

Rep. Frank Tanner of Reading commented on the alertness of the town officials on reporting the problem to him, so that the proper bills could be drawn up. He also had a very

THE LITTLE LEAGUE MOTHERS

Wilmington Little League is undoubtedly going to have the best year ever, in 1959. The men and the ladies who have been supporting the boys have been working hard. We have a nice ball field, which was completed last year. A lot of the "digging" has been done.

There are about 300 boys this year, in the Wilmington Little League, - and that's a lot of two legged energy, anyone will agree. Wilmington should have two Little Leagues - such as is in Woburn and Winchester, to name two places.

About 30 men and 10 ladies do the work involved. They deserve a lot of credit.

For the men, perhaps, it is more fun than for the ladies. Working with the Little Leaguer boys provides a certain escape from cares and worries.

But the Little League can use a few more men - just in case anyone wants to volunteer.

It is the ladies of the Auxiliary who deserve a lot more credit, numerically speaking. About 10 ladies carried out the work of the auxiliary last year - and there was more to it than serving in the refreshment stand. These ladies, by their united efforts raised \$500 to help support the Little League activities - and \$500 is still a lot of money.

Those ten ladies should have more help from some of the other Little League mothers. We realize that the lot of being a mother of growing children isn't always easy, with faces to be wiped, and bruises of younger children to care for.

But surely there are a few more ladies who can help to shoulder and distribute the load.

THE CHANGE IN MAILS

Quietly, and without fanfare, there has been a major change in the handling of mails, by the Postoffice Department.

No longer does the B&M carry the mail to Wilmington, and the other towns and cities of Middlesex County. We don't know how many years Wilmington was so serviced by the railroad, but it is a thing of the past.

Instead all mail is coming to this town, and leaving this town by truck.

Once upon a time, not so many years ago, to send a letter from Wilmington to North Wilmington, it had to first go to Boston, and then out again. So did any letter for any adjoining town.

But all this is changed. North Wilmington and Wilmington now exchange directly. Mail to Reading, or Billerica, or Woburn, or other nearby places now goes to Woburn, and then to its destination.

The Post Office Department has increased its facilities in that town - decentralized, so as to speak.

It now promises much faster delivery of local mail - i.e. to neighboring communities. The first week, perhaps, was not too fast, but it is to be expected that a few kinks had to be ironed out.

We can expect a vastly improved service, in the near future.

Miss Thrifty-Guardian, the hostess for the Wilmington Coal & Oil Company Show-O-Rama, next Thursday Friday & Saturday, on Main St.

POINT OF INTEREST

Besides the 'interest' we speak of in connection with dividends, there is another point of interest just as important, - - - and that's the personal interest we have in seeing that you receive the best banking advice and assistance, quickly and courteously - - whether it's concerned with savings, fund management or home financing of any kind.

TOWN NOTES

Lousy Fishing

The month of April turned out to be one of plenty of rain, which is no surprise to the people of Wilmington, for the past 18 months.

We had two inches of rain in the week that ended Sunday - 2.02 inches, as a matter of fact - and a total of 3.90 inches for the entire month.

The brooks and rivers are all at a near-high water stage, and fishing is simply lousy - as a result - the trout are out in the meadows feeding, and not interested in the lures presented by mere men.

It's going to stay bad, for at least a week or so, too.

Kill the Ump

John Ritchie, who works as a cop for a living is really a sportsman at heart - he would rather play baseball than eat, and he would rather play football than either.

For several years John was a co-coach, in the Little League and his team always won the pennant.

John, as a coach, was entitled to have his little rumpus with an umpire, if he wanted to - but he was generally a gentleman - as are the Little League Umpires too.

But - gentleman or not, John is on the other side of the fence this year - for he has become a Little League Umpire. We don't expect to see a coke bottle bounced off his bean - but if such an event should happen he won't have anyone to blame but himself.

He stuck his own neck out, when he asked for the job.

Doc Harmon

Our good friend Ted Ashby of the Boston Globe is the kind of fellow who likes to wander around looking for the folksy kind of story.

A couple of months ago he did such a story on Jeanne Ashworth - of whom we don't have to tell our readers anything.

Recently Ted came out to Wilmington and did a story on Doctor Harmon, of Middlesex Ave - right by St. Thomas Church, as a matter of fact.

Doctor Harmon, now retired 12 years, is perhaps the oldest Public Health official in the United States, and is still spry and chipper. He worked in Public Health, as a professor and Commissioner, for over 40 years.

Ted is a man who can dig out good stories - even though most of Wilmington already knew of the value of the Doc, we like to see a good story about him.

Emma Perry

We are afraid that not too many of our residents of Wilmington knew Emma Perry, who died a few days ago in Florida - but Emma was an important person in Wilmington, back about the time of World War I.

She was one of those women who just keep on doing their job - and thereby earn themselves a halo.

Emma was a wonderful cook, and maintained, in her home on Church Street a boarding house for school teachers. It seemed that there were always a lot of pretty girls sitting on Emma's front porch - and not a few fellows were to be seen in the neighborhood too.

We can testify, from personal knowledge, as a five or six year old boy, as to her cooking abilities. We are ready to swear that she was the best in Wilmington.

But now Emma will never hand out any more doughnuts, at the back door. She was a wonderful person.

Rupper's Airport

Readers of this paper will recall that a few months ago Cliff Hupper, of West Street, 'sat alone' at a hearing in the High School cafeteria.

Cliff wanted to have a small private airport, in his backlot, but his neighbors, who apparently believed that there might possibly be a lot of airplanes, didn't like the idea.

It was quite a hearing - no animosity or anything - but no airplanes wanted.

Anyway, Cliff has now bought the Tewksbury Airport - he and

a partner.
Cliff has his airport, but it isn't in Wilmington.

The Long Trailer

Our front page picture, this week, as our readers now know, is one of the long long beams which will be used to bridge Route 93, where Route 125 will meet it, in North Wilmington.

We were kept in constant knowledge of the progress of events, as the beams went through Wilmington last week.

First we had a call from a Woburn man, telling us that the beams were coming. Then a Wilmington man called and said that they had got through Wilmington Square with just a foot to spare. Then we were told 'I've got a good picture for you'.

Half an hour later one of our readers came dashing after us when the beams went off the road, at Ballardvale Street, and knocked down a telephone pole in front of the Clarence Doucette home.

All Wilmington, it seems, was watching. But the man who got the most excitement was 'Hank' Sullivan, of Middlesex Ave., North Wilmington.

Mr. Sullivan met the beams, and it was on a corner. He was driving his car, and the beams were projecting from the truck as it rounded the corner - they were heading right for Hank's windshield.

Hank threw his car into reverse, and backed away at a rate of speed faster than he had been driving forward.

Which certainly isn't the most ordinary way of driving a car.

The Ski Jump

Hagerty's Ski Jump will soon be just a memory. Campanella & Cardi began to cut through Woburn Street, last Monday. We figured that it wouldn't happen until the Woburn Street (or Park Street one might call it) was completed, but C&C are now routing the detour right across the highway, so that one now drives down High St. and the long way around, to Hathaway Acres.

But the men who drive home to Hathaway Acres don't bother to use this route any more. They are now cutting right up from Lowell Street, and driving the new Route 93 right to North Wilmington, every night after the work is done for the day.

One of these days, very soon, there will be a 'whump' and not even the beginning of Hagerty's Ski Jump will be in existence.

The Missile

Avco's nose-cone, which was recovered off Ascension Island in the South Atlantic, has been back in the Avco laboratory for the past 10 days, undergoing all the kind of tests that scientists love to make.

No one is able to see the 'thing', and no photographs are being released. But, somehow - and no one can explain how or why, the Department of Defense did release a photo, about two weeks ago - a release that borders on a mystery.

Avco, of course, is proud as a bull pup, even while it has to keep its silence.

An item of passing curiosity: the US Navy sailor who picked up the nose-cone, in the South Atlantic, was from our neighboring city of Woburn.

Sailor

Ken Wilson, who plays the organ in his spare time, as well as for business purposes, and lives down in Suncrest Acres had a spell of a different life last week.

For three or four days he was on the briny - part of a volunteer crew which brought a 42 foot cabin cruiser from the Delaware Capes to Boston.

Apparently it was Ken's first yachting trip - he is still talking about it.

THE SELECTMEN'S MEETING

The Selectmen's meeting, Monday evening opened with a discussion of 'litterbugs' and means to prevent waste papers from being strewn around. It was occasioned by a letter from Ralph Babcock, of Woburn Street.

Don Kidder suggested some

'litterbug signs' such as he had seen in Andover, put out by the Coca-Cola company, and it was agreed that they would see if any State agency had any signs available.

Telegrams

A telegram, from Frank Hagerty to Governor Furcolo, in which he asked that the Governor sign House Bill 2745 was read. The other Selectmen complimented Hagerty on the wording of the message.

Two telegrams had been received during the week from Thomas F. Costain Jr., Mayor of Lynn, asking attendance at meetings on the Eastern Mass Bus situation.

Kidder remarked that he understood someone wanted to buy the Lowell franchise, of that company, and there were remarks about seeing buses with only half a dozen riders, in Wilmington, when the company was operating.

De Felice told the other members that 'if it would pay them, the company would run a bus every ten minutes'.

Plack, gloomily observed that if the P&M gets its way, and the Eastern Mass doesn't resume there will be very little public transportation in Wilmington.

Poppy Day

A license was granted to the Nee-Ellsworth Post 2458 to conduct a Poppy Day on May 22-23.

Sunday licenses were granted to Lucci's, Fedeli's, Poole's Bakery, Jim's Variety Store and Rocco's Restaurant. A victualer's license was granted to Len & Ginger's Submarine Sandwich Shop.

Taxis

An application for a renewal of a taxi license, to operate out of town, was tabled, because the operator explained in his letter that he did not intend to use the license at the present time.

A review of the Rules and Regulations for taxis brought out that the operators photo etc is supposed to be exhibited in the cab, and it was decided to have this provision enforced.

Insurance Survey

A privately conducted Insurance Survey, by Nick De Felice found that the Town of Wilmington was not paying much more (except for the Silver Lake District) than adjoining towns and cities.

De Felice found that the Wilmington rate averaged 3 cents per hundred dollars valuation more than in towns with two or three fire stations - 'which to me is pretty good - nothing can be done about Silver Lake without tearing down all the buildings there - it won't do any good to build a sub-station - it won't lower the insurance rates anyway'.

Parking

Selectman Frank Hagerty pointed out to the Board that the new traffic regulations were of no practical value until the 'No Parking' signs were properly erected. He pointed out the parking on Adams Street, and in North Wilmington, and said that no cop will enforce the law until there are adequate signs.

Streets

In response to a question from Hagerty, the TM told the Board that work on the end of Shady Lane Drive was scheduled for an early completion, as well as on Fairmeadow Road.

Nichols Street

Hagerty asked about the progress of installing the connecting link, for the Nichols Street water main. He was told by Mrs. Drew that the Water Department had been unable to do anything in April because of the rains, and Hagerty observed that 'it isn't raining this week - what excuse will they have this time?'

A discussion was held about a fence, of light lumber, near the bridge, which led to the discovery that some people in the neighborhood believed that the section of the bridge recently built to hold the water main was intended for a foot path.

Urban Renewal

Hagerty brought up the 'work-

able program' needed by the Wilmington Housing Authority for their Urban Renewal project. It seemed to be waiting for appointment of a citizens committee, and Hagerty wanted a joint meeting of the WHA and Planning Board, with the Selectmen.

Kidder: Wouldn't it be better for me to meet with Mr. Franklin (Urban Renewal Director) and find out first what should be done? We would save time.

Summer Schedule

The Selectmen decided to meet only on the second and fourth Mondays, during June, July and August.

SHOW-O-RAMA

The Heating & Air Conditioning Show-O-Rama which will be held in Wilmington Coal & Oil Company's Big Tent on Thursday Friday and Saturday, May 14, 15 and 16 promises to be an unusual event according to officials from the Wilmington Coal & Oil Company, sponsors of the event.

The Show-O-Rama will be the first show of its kind ever held in a tent in Wilmington and is expected to attract large crowds from Wilmington and vicinity to study the latest in oil heating and air conditioning equipment that will be displayed.

Every visitor at the Show-O-Rama will receive a free gift from Wilmington Coal & Oil Co. and become eligible for the many door prizes that will be given away. The feature prize will be 1000 gallons of fuel oil for a lucky visitor. There will be prizes of household appliances made daily.

Miss Thrifti-Guardian, hostess of the Show-O-Rama, will be in Wilmington all during the show to greet visitors and distribute tickets to the show. The beautiful Scotch miss, dressed in full regalia, symbolizes the Thrifti-Guardian Plan which is a new system of complete heat planning offered exclusively by Wilmington Coal & Oil Company in this area.

The Thrifti-Guardian Plan will be displayed at the Show-O-Rama as will the many other services and facilities offered by the Wilmington Coal & Oil Company.

The location of the Show-O-Rama, in the Big Tent right on Main Street has been arranged by Wilmington Coal & Oil Company to make it convenient for the greatest number of people to attend.

According to A.L. Osterman, General Manager of Wilmington Coal & Oil Company, the show

is designed to be of interest to both men and women. Many of the features of the new equipment are designed expressly for women while men will be interested in the modern mechanics and design of the equipment.

NATIONAL ASSOC. OF RETIRED CIVIL EMPLOYEES

The regular meeting of Chapter 507 will be held in Room 16 of the Community Center on Sanborn Street in Reading on Friday, May 8th at 2:30 p.m.

There will be a business meeting and special report of the State Federation of Chapters Convention at Fall River. A social hour and light refreshments will follow.

SERVICE OF WORSHIP TO HONOR MOTHER'S

During the service of worship on Mother's Day, Sunday, May 10, the mother's of the Wilmington Methodist Church will be honored. The Rev. Richard Harding, pastor of the Church will lead this service which concludes National Family Week and will present the oldest, youngest and mother with the most children in church or church school a gift of recognition on behalf of the entire church family.

The Sacrament of Infant Baptism will be held during the worship hour and parents have been advised to contact Mrs. Richard Wright, Cradle Roll Superintendent, OL 8-8185 if they wish to make plans to have children baptised.

STATE TEACHERS COLLEGE AT SALEM

A. Patricia Hamilton, 6 Sprucewood Road, North Wilmington has been accepted for entrance in September 1959 at the Salem State College.

Telegram Urged
(fr Fr Pg)

heavy pat on the back for Town Counsel Philip Buzzell, who he said, was extremely competent.

Rep Tom Donahue of Woburn told the audience that there is a right of free petition, available to anyone, and said that a Wilmington resident and a Boston attorney had called on Governor Purcolo with objections to House 2745, which

objections, Donahue felt, were definitely holding up the signing of the bill.

Town Manager Calabrese reviewed the entire problem, as it affects Wilmington, and commended the Senator and the two Representatives for the work they had done. 'They have done everything that is humanly possible'.

Calabrese explained that the rulings in court, on the Wilmington gravel cases subtended

from the appointment of a Master, who made rulings which he, Calabrese, felt would be overruled by the Superior Court, but that such an event might take several years, during which the damage was being done.

This Master had held that a non-conforming use exists on gravel pits, and that they do not fall under the Zoning By-Laws. Calabrese told the audience that the Master had stood on a 30 foot precipice, together with a Judge, and they had looked down into a pond which was dredged to a depth of 20 feet. Calabrese reported the Judge as observing that 'I don't see anything wrong with that'.

Frank Hagerty, Selectman, commended the Representatives for the work that they had done. 'They want to use our gravel in cities and towns all the way to Boston', referring to gravel merchants.

Hagerty referred to the two persons who were interceding with the Governor as 'people who were willing to sell the town down the river for their own lousy pocketbooks'.

'Up to now, Hagerty stated, 'the situation wasn't too bad, but it is getting worse, and can be really serious.' He cited a gravel pit in South Wilmington, 'a mess' as to what can happen.

'Wilmington's plans for sewerage can be gravely effected by gravel operations' Hagerty told the audience. 'By destroying the present grades we can very well be forced to spend millions for additional pumping stations'.

Selectman Don Kidder, who had arrived late, made no comment other than to remark that he didn't know what had been said but would be happy to answer questions.

Selectman Plack, who arrived late, made no comments.

Chairman Jerry Hale of the Board of Appeals told the audience that there was a poor attendance at the Board of Appeal hearings on gravel. The decisions of the board, he said, were based partly on public opinion, and no public opinion could be had without the public being present.

Woburn Example

Rep. Donahue, speaking again, cited the case of the City of Woburn, where gravel troubles existed a few years ago. The By-Laws of that city, he said, specifically provide that any gravel pit which ceases to operate for two months, other than Dec. 1 to April 1, loses

all rights as such. This was effective, he stated.

Calabrese thought that this might be a good law, but felt that it still was subject to interpretation, and that in Wilmington's case, where the question was now acute, it might still take several years

Wilmington, he said, has two types of gravel operations, (other than the legal ones, in town viewpoint). One of these is a violation of zoning, and the other a violation of gravel regulations. The first is answerable in Superior Court, and the second in District Court.

If House Bill 2745 is signed the second will also become answerable in Superior Court.

As things now stand, the gravel merchants can be taken to the District Court every day and fined, and they would be happy to pay the fine, and continue operations.

There will be no jurisdiction of licensing power until we get this bill, or until the cases heard by the Masters get to Superior Court.

Hagerty added that Home Rule should be the rule, and that the criteria of gravel operations should be the value to the community. 'I know places in Wilmington where it would pay to remove soil, but no one is interested. The operators just want to work in certain areas, and generally this is a place where the removal of one spoonful is harmful.'

Zoning Argument

John Elia, of North Wilmington expressed an opinion that if the Zoning By-Law hadn't set up areas with 60,000 foot lots the owners would not be wanting to strip their land of gravel. He felt that the costs of developing such areas was too expensive.

This was termed by Roland Woods as 'submitting to blackmail', and Frank Hagerty said 'a good real estate operator who wants to develop 60,000 foot lots can make himself a fortune'.

Calabrese told Elia that a gravel merchant would operate in a 5000 foot lot, if he felt that he could make money, and the zoning regulation had no effect - it was the source of the gravel that was considered. Rene LaRivee, citing the gravel pits off Concord Street, stated that they had been fighting them there since 1953 and wanted to know why action wasn't taken five years ago. Hagerty told him that as recently as a year ago there was no real crisis.

LaRivee also wanted to know why residents of Concord St. were not asked to attend the court at the time of the Dias case, when two other persons were invited. Calabrese told him that the two persons owned the land in question, and that the judgement for the names of who to call rested with the Town Counsel. If the Town Counsel had felt that it would have done good to call

Telegram Urged (fr Pg 4)

on the residents he certainly would have done so, Calabrese stated.

Referring again to the Elia thesis that the value of the land would be higher if the zoning restrictions were not as strong, Calabrese stated that the land values in Wilmington had tripled in only a few years. The rural zone area, he said, is certainly worth while, and Wilmington is fast approaching the situation where there will be no smaller lots of land available.

Mrs LaRivee asked what was being done about the damage to roads, by gravel trucks. She was told by Hagerty that he and Tom Donahue had looked over the damages six weeks ago, that the Department of Public Works was now surveying the damages, and that the contract or had, as part of his contract, the repairing of damaged roads.

We don't want to spend part of our limited budget for high ways on repairing the roads, he said, and if we do the state might back out.

MIDDLESEX COUNTY NATIONAL BANK

A new office of the Middlesex County National Bank will open for business on Monday, May 11, at 10 a.m. at 132 Park St., North Reading Center. This will be North Reading's first bank, and will bring to the community the complete facilities and services of the largest national bank in Middlesex County.

A preview and open house will be held Saturday and Sunday, May 9 and 10, from two to six p.m. Featured will be an exhibition of works by well-known artists, arranged through the cooperation of the nationally known North Shore Arts Association. A gallery talk on the artists and their works will be given each day at 3 p.m. by Joseph R. Corish, chairman of the Association's Scholarship Committee.

Oliver T. Pergstrom, the bank's president, announces that North Reading will be the fourteenth community to be served by Middlesex County National Bank, and that this will be the bank's eighteenth office.

In addition to Mr. Pergstrom, the directors of the bank are

Norman F. Barrett, Charles W. Bartlett, Newell A. Clark, Robert M. Edgar, Joseph E. Hollingworth, Herbert W. MacLeod, Kenneth G. Macquarrie, Louis Risman, Edward J. Saunders, Edward W. Sexton, Robert P. Tibolt and Albert W. Vanderhoof.

SELECTMEN SOUGHT WAY TO SETTLE SIDELINKER CASE

The Board of Selectmen, Monday evening, spent two hours exploring possibilities of settling the Sidelinker Dog Kennel case out of court.

From 10:10 pm until after midnight the Selectmen explored the possibility of having the kennel in some remoter part of Wilmington, and other such thoughts, with Mrs. Wavie Drew dissenting. Mrs. Drew was in favor of settling in court. The first half hour of the executive session was spent with Dog Officer Leo LePlanc, after which Sidelinker was admitted to the meeting for an additional 1½ hours.

Charles Black, who said very little during the discussion left at 11:30 pm., saying that as far as he was concerned the case could go to court.

ON THE WAUGHPATH Little League Opener On Saturday

With the assistance of the top-notch Wilmington High School band, our local Little League season will get underway on Saturday, starting with a parade at 12:00 noon. The parade, which will include all major and minor league teams, umpires and other league officials, will wind its way from the Masonic Hall grounds to the Little League park where further ceremonies will be held preceding the scheduled double-header.

Hizzoner

Honorary Mayor George Spanos will once again throw out the first ball which will herald the official opening of play. At approximately 1:00 P.M., the defending champion Unit Packet Tigers will take on a vastly improved Cain's Red Sox team in the first game of the season. Immediately after the final putout of the first game the Chisholm Indians and AVOO Yankees will meet head on in the second game.

None of the opening day pitchers have been announced by their managers, but we feel sure Pete Emery of the Indians will be called upon by his managers, Ed Sullivan and Walt Currier, to get the Indians off on the right foot. Pete's last pitching effort was a white-wash over the Woburn tournament team last summer. There is so much more pitching spread around the league this year than in 1958 that it is impossible to guess what boys will get the nod for the other teams.

Boys Appreciate Fans

President Al Kasabuski urges everyone to attend the opening day games and the parade which precedes the games. Refreshments will be available at the concession stand at the ball park for those fans who get hungry or thirsty. The schedule of Little League games for the full season is printed elsewhere in the paper for the benefit of those who are interested in watching their favorite teams through the summer. The boys actually seem to play better baseball when there is someone to cheer them on, so get down to the park whenever you can.

Pony League

The Wilmington Pony League team, whose season opens on May 23, two weeks after the Little League opener, held try-outs for boys 13 through 15 years of age on Saturday and Sunday afternoons. This

team gives graduated Little Leaguers an opportunity to continue in an organized baseball program by playing in a league with four Reading and three Stoneham teams. We will have more information on this team later.

Booster Scholarships

President Rob Hastings of the Wilmington High School Rooster organization appeared before the School Committee on Wednesday evening to announce the Roosters' wish to award two \$100. Scholarships this year. As outlined, one award will go to a boy and the other to a girl of the class of 1959 who best combine the qualities of scholarship, athletic achievement, and need.

COUPLES CLUB PROGRESSIVE SUPPER

Next Saturday, May 9, beginning at 6:30 p.m. the Oldsters Youngsters and Others of the Congregational Church Couples Club will start their evening of fun and frolic with good things to eat as they carry out their plans for a Progressive Supper. If you have heard of the good times that they have had with their Square Dances, with their interesting evening of entertainment and other activities that have never been published in the papers, it would be well to call Mrs. Kay Maxfield, OL 8-2424, and get the whole story about what is on schedule this coming Saturday. Don't wait until the last moment before you phone for if the signs are all clear you will be going places if you share in this evening for fellowship and entertainment. Remember OL 8-2424 is the one to call for reservations.

Wilmington's Little League field had a good raking, last Saturday, as the Zaccagnini twins wielded the rakes.

WILMINGTON PARENT TEACHER COUNCIL SCHOLASTIC FUND BALL

A really gala occasion awaits the record number of persons planning to attend this year's Parent Teacher Council's Scholastic Fund Ball to be held on Saturday evening, May 16th at 8 p.m. in the High School.

An Aqua Rama motif will set the scene of an underwater atmosphere, and according to past years' decorative accomplishments, the gymnasium will again be transformed into a place of beauty and festivity.

Norm White and his Orchestra, well known to the country club set, will provide music for dancing, and Mr. Kenneth Lyons will act in his very popular capacity as Master of Ceremonies.

During the course of the evening the two best dancing couples will be selected and they will receive prizes.

It is always fascinating to watch lovely Mrs. Ruth Gourley instructor to the school children in the ballroom dancing program sponsored by P.T.A., dance with her talented son, David. At this year's party, they will again give a beautiful dance exhibition.

In the High School students are working on posters advertising the dance, and three monetary prizes will be awarded by P.T.A. for the best posters. A committee comprised of

Miss Anderson and Mr. Ciano of the High School faculty and Mrs. Kenneth Lyons will select the winners within the next few days.

Eighteen radio stations in the Boston Area are already reminding listeners of this important event in Wilmington which, when after all the fun is over, is sponsored in the interest of our own school children. You may help by buying a ticket for only 99 cents.

LEGAL NOTICE

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Probate Court

To all persons interested in the estate of Frances L. McClure, late of Wilmington in said County, deceased.

A petition has been presented to said Court for probate of a certain instrument purporting

to be the last will of said deceased by John McClure of Wilmington in the County of Middlesex praying that he be appointed executor thereof without giving a surety of his bond.

If you desire to object there to you or your attorney should file a written appearance in said Court at Cambridge before ten o'clock in the forenoon on the twelfth day of May 1959, the return day of this citation.

Witness, JOHN C. LEGGAT, Esquire, First Judge of said Court, this fifteenth day of April 1959.

John V. Harvey, Register.
A 23-30 M7

THE COMMONWEALTH OF MASSACHUSETTS

LAND COURT

No. 29279 Misc.

IN EQUITY

(seal)

To William Beard, formerly of Wilmington in the County of Middlesex and said Commonwealth, or his heirs, devisees or legal representatives;

GREETING:

Whereas a suit in equity has been begun against you in our Land Court, by Joseph H. Sweeney and Dorothy E. Sweeney, of Lexington in said County of Middlesex; and Richard D. Ballestrieri and Barbara J. Ballestrieri of said Wilmington;

WE COMMAND YOU, if you intend to make any defense, that on the first Monday of JULY next, which Monday is the return day of this subpoena, or within such further time as the law allows, you do cause your written appearance to be entered and your written answer or other lawful pleading to be filed in the office of the recorder of said court at Boston in the County of Suffolk, and further that you defend against said suit according to law, if you intend to make any defense, and that you do and receive what the court shall order, adjudge and decree therein.

Hereof fail not, at your peril, as otherwise said suit may be adjudged, and orders decrees entered therein, in your absence.

The plaintiffs allege to be the owners of certain land located on Woburn Street in said Wilmington, and there appears in the chain of title affecting said property a foreclosure deed and affidavit executed in accordance with a default contained in a mortgage given by William Beard to Amos H. Miller dated April 7, 1886 and recorded with Middlesex North District Deeds in Book 180, Page 267, the foreclosure deed and affidavit being recorded in Book 280, Page 476 on January 5, 1897, which was more than thirty days after the date of the foreclosure sale which took place on June 10, 1896, and praying that their title be confirmed free and clear of said cloud.

And it appearing to the Court upon the suggestion of the plaintiffs that the whereabouts of the defendants are unknown and they cannot actually be served with process, it is ORDERED that notice be given by publishing a copy of this order once a week for three successive weeks in the Town Crier of Wilmington, a newspaper published in said Wilmington, the last publication to be one month at least before said first Monday of July next.

Witness, JOHN E. FENTON, Judge of our Land Court, the fifteenth day of April in the year of our Lord one thousand nine hundred and fifty-nine.

Sybil H. Holmes
Recorder

A true copy,

Attest:
Sybil H. Holmes, Recorder.

MRS LIGE H. TIBBETTS
Funeral services were held yesterday afternoon for Mrs. Lige H. Tibbetts, of Middlesex Avenue, North Wilmington, at the Nichols Funeral Home. The Rev. Stanley Cummings of Fockland, Mass., former pastor of the Wilmington Congregational Church, officiated.
A resident of Wilmington for 43 years, Mrs. Tibbetts would have celebrated her 50th anniversary with the Rebeccas on May 10th.
She died May 3rd, at the home of her son, Bruce, in Tewksbury. She was 87 years old.
A native of Boston she is survived by her sister, Florence P. Stoddard, her daughter, Elizabeth, with whom she had been living, her son Bruce, of Tewksbury, 10 grandchildren and 1 great grandchild.
Burial was in the family lot in Wildwood Cemetery.

EMMA PERRY
Funeral services are to be held this afternoon, at the Nichols Funeral Home, for Emma Perry, who died in St. Petersburg, Florida, on May 2nd. The Rev. Richard Harding of the Wilmington Methodist Church will officiate.
A native of Wilmington, 80 years old, Mrs. Perry had lived on Church Street until about a year ago, when she and her son moved to Florida.
She was the widow of Charles F. Perry, Selectman, and milk dealer of Wilmington for many years.
She is survived by her son Norman, her half-brother Guy Nichols, and a half-sister, Annie F. Nichols of Lexington. Burial is to be in the family lot in Wildwood Cemetery.
NOTICE OF CHANGE OF MEETING
The Tuesday morning Bible Study Class will begin meeting

May 12th at 10 o'clock with Mrs. William T. Carver, 80 Middlesex Avenue. All women are invited to attend and get better acquainted with the Bible.

AMERICAN BAPTIST FOREIGN MISSIONARY
Mr. William Robbins, 24 years a missionary in the Belgian Congo, will be the guest speaker at the Baptist Church, 173 Church Street, Wilmington, Sunday evening, May 10 at 7:30

He will speak to the combined junior and senior-high youth groups at 5:30, meet with church folks at 6:30 at an informal reception and buffet supper planned by the missionary committee at the parsonage, and then speak at the 7:30 evening service.

TEACHING THE RETARDED

Miss Helen F. Freeman, director of the Carroll-Hall School for Exceptional Children, shown speaking to the Eastern Middlesex Association for Retarded Children, in the Methodist Church, on April 29th.

Miss Freeman gave one of the most informative lectures of the year, on the training of retarded children, the EMARC reports.

The meeting was well attended by visitors from all over the county. Members of the Wilmington Selectmen and School Committee were also present.
